The committee will hold a public hearing on the matter before final disposition of it is made.

PROHIBIT BASEBALL IN

STREETS OF CITY

The committee voted to recommend to the Council for passage an ordinance amending the City Code prohibiting the throwing, butting or playing of baseball in the streets. Several citizens, as well as Chief Werner, appeared before the committee and asked for the passage of the measure, citing numerous recent cases where persons had been struck by balls thrown in the streets. In voting for the ordinance, members of the committee said that it was intended more for the safety of boys than for adults, as it forced the former to use the public playgrounds, where there was no danger of running former to use the public playgrounds, where there was no danger of running
